2. A Junior Member does not need a USGA Handicap Index to join the WMGA.
3. Annual dues for Junior Membership for 2017 are \$20 and should be remitted to the WMGA Representative at the Member's club. A Junior Membership must be renewed for the next year no later than December 1 if she would like to participate in Team Matches. Dues will not be refunded for any reason after April 1 of the current year.

Junior Fellowship Membership

The goal of this program is to identify passionate, competitive junior golfers and award them a Fellowship into the WMGA.

1. A girl who is at least 12 years of age and has not reached her 19th birthday by the first day of the calendar year and has not started college may be eligible. Juniors completing an application for this select membership must NOT be affiliated with a WMGA Member Club and her parent or guardian must NOT be a member of a Member Club.

4. This Junior Fellowship will be awarded for one year with the opportunity to receive the honor again through the application process.
5. Excellent sportsmanship on and off the golf course and an interest in competitive golf are requirements for consideration.
6. Applications are available on WMGA.com under the “Juniors” tab.

Independent Membership

1. A woman amateur golfer who is not a member of a member club with a maximum USGA Handicap Index of 23.0 may apply for Independent Membership at any time during the year.

Club Membership

1. To apply for Club Membership, a club must meet the re-

quirements set forth in the WMGA's Constitution and Bylaws and must offer its course every three years for a WMGA tournament in addition to Team Matches.

2. Annual Dues for Club Membership for 2017 are \$200 and are payable by January 2. Failure to pay the dues prior to April 1 will be deemed to be the club's resignation from the WMGA membership and its members will be ineligible to play in WMGA events until the club pays the dues for Club Membership.
3. A Member Club that refuses three requests to host a tournament other than Team Matches may be subject to disciplinary action, including suspension of its members from all WMGA events (Team Matches included) at the discretion of the Board.

II. CODE OF CONDUCT

1. Each member is expected to conduct herself in a manner that fosters good sportsmanship, good fellowship, and respect for individual dignity. Each member is likewise responsible for the integrity of the venues at which we conduct our competitions and our business, and pledges by becoming a member to actively promote the best interests and traditions of the game of golf and the welfare of this Association.
2. Any conduct on the part of a member which is considered detrimental to the best interests of the game, the welfare of the WMGA, or is in contradiction to the objectives, Bylaws, rules, or other policies of the WMGA or the host club may subject the member to disciplinary action.
3. Such conduct will be brought to the attention of the Disciplinary Committee of the Board, consisting of the Vice President of Competitions, the Vice President of Outreach, Marketing and Initiatives, and the Interclub Team Match Chairman. The Disciplinary Committee will review the conduct and recommend appropriate action to the Board. Pending Board approval of the Disciplinary Committee's recommendation, the member may not be permitted to participate in any WMGA competition. Upon Board approval of the Disciplinary Committee's recommendation, the member will be notified of the decision in writing and

will be afforded the opportunity to appeal and submit in writing any information she deems relevant within seven (7) business days of the date the letter was received. The Board will review the appeal and render a decision within seven (7) business days from the receipt of the letter. III. HANDICAPS

1. Handicaps must be computed in accordance with the current USGA Handicap System.
2. A player's Handicap Index will be adjusted in accordance with the Handicap Conversion Table into the appropriate handicap for the host club.
3. The official Handicap Season extends from Saturday, April 1 through Tuesday, October 31 with revisions effective on the first and fifteenth of each month. The final revision date is Wednesday, November 1. Eligible winter scores with Course Ratings and Slope Ratings should be posted before the first local scores are entered into the handicap report.
4. All scores from WMGA tournaments, including Team Matches, **must** be posted into GHIN. Scores from all WMGA stroke play tournaments **must** be posted as "T" scores.

IV. COMPETITIONS

Tournament Entries

1. Online registration for all tournament entries will be accepted starting at 8:00 AM April 1 and will close at 11:59 PM on the the final entry date indicated for each tournament. **The field for a tournament is selected on the basis of the order in which the entries are submitted (i.e., first come, first serve basis).** A player must submit only one entry per tournament. Only online registration entries will be accepted and instructions can be found on page 32.
2. The tournament entry fee includes continental breakfast and lunch, the golf competition, and access to the range and practice area. Fees for cart rental and/or caddie will

be paid for by the player at the tournament site.

3. After entries close, the tournament information will be posted on the WMGA website and starting times will be emailed to players. If the field is not full by the final entry date, late entries may be considered. Call the WMGA office for availability.
4. If a tournament is oversubscribed, the following procedures will apply:
 - a) A waiting list for entrants will be maintained for each oversubscribed tournament. If a player/team cancels prior to the tournament, the first entrant on the waiting list will be accepted into the tournament.
 - b) If one of more partners of a team are unable to participate, **the team has a one time exemption to replace partner(s) for the partnered tournament.**

NOTE: In many cases, being placed on the waiting list does NOT mean you are excluded from tournament participation. Positions in the tournament often become available as the date approaches. The WMGA recommends you keep your schedule available.

Tournament Cancellation & Refund Policies

1. Entry fee, less a \$15 service and processing fee, will be refunded regardless of reason if the WMGA is notified by phone (914) 592-7888 or email (jratta@wmga.com) prior to the final entry date. Requests for refunds after the final entry date will only be accepted in writing and the amount of the refund, if any, may be reduced by any tournament costs.
2. If you need to cancel for any reason at any time, PLEASE contact the WMGA office immediately.

Handicap Regulations

1. Handicap limits will be as follows:
 - a) Class A Tournaments – USGA Handicap Index maximum of 14.0.
 - b) Class B Tournaments – USGA Handicap Index of 14.1 through 40.4.
2. A player may only enter a tournament for which her USGA

Handicap Index makes her eligible. EXCEPTION: Players in the Myra D. Paterson must fulfill Handicap Index requirements ON THE DAY OF PLAY and players in the Sis Choate Pinehurst Tournament must fulfill Handicap Index requirements based on the September 15 revision.

3. If a subsequent handicap revision would make her ineligible for an event other than those noted in the preceding EXCEPTION, the player will not be required to withdraw. In any Championship, the player will be required to use the maximum allowable Index or her current Index, whichever is lower. If the player's Index is lower than the minimum allowed for entry, she will not be eligible for a gross prize.

Tournament Rules

1. All play will be governed by USGA Rules, any Local Rules posted, and any Conditions of the Competition established.
- 2 There must be at least 20 players to constitute an official WMGA event.
3. Distance-Measuring Devices: For all play during WMGA competitions including Junior Tournaments and Interclub Team Matches, a player may obtain distance information by use of a distance-measuring device. If during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. Penalty for Breach of Rule 14-3: Match Play - Loss of Hole. Stroke Play - Two Strokes. For subsequent offense - Disqualification.
4. Except in the Match Play Championship and Stroke Play Championship, a player may use a golf cart. The rules regarding the use of caddies will be determined by the host club and will be posted in the Notice to Players. A player will be responsible for any cart and/or caddie fees which may be incurred. A player MAY NOT bring her own caddie, carry her own golf bag, or use a pull cart. Caddies will be assigned by the caddie master. A player may not

have the same caddie twice or request a specific caddie except for the finalists on the final day of the Match Play Championship.

5. A player or team who has been assigned a starting time must be present at that time and fully intend to complete the round. Withdrawal for reasons other than personal illness or family emergency within 24 hours of that assigned time, failure to submit a tournament score, or failure to play the second day of a two-day tournament may result in disciplinary action, including suspension of the player or team from all WMGA events (Team Matches included) at the discretion of the Competitions Committee. Further, regardless of the reason for withdrawal, the player or team may be responsible for any caddie fees incurred by the WMGA.
6. Proper golf attire must be worn at all WMGA events. No denim of any color, leggings, tank tops, warm-up suits, or sweat pants will be permitted. Under no circumstances will short shorts or low cut shirts be allowed. Skorts and shorts must be no more than 5" above the knee. If the regulations of a host club are more restrictive, the player must conform to the additional regulations. Members whose dress is deemed inappropriate by the WMGA may be denied participation in the tournament.
7. Electronic communication devices MUST be turned off. They may not be used anywhere on club grounds, except in a player's car. If the club policy is more restrictive, all players and spectators MUST comply. EXCEPTION: When electronic communication devices are permitted on the golf course, players may use electronic communication devices in the case of an emergency or in accordance with Rule 14-3. Violation of this policy may result in disciplinary action.
8. USGA Rules of Golf Rule 6-7. Undue Delay: Slow Play states: "The player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing from the next teeing ground, the player must not unduly delay play." The WMGA Pace of Play Policy

leaves the responsibility for maintaining the pace of play where it belongs – with you, the player. If you are the first group in the field, play efficient golf. If you are in a following group, keep up with the group in front of you and you will not have a pace of play issue. If you fall behind, you are expected to play efficient golf and get back into position. This might mean playing ready golf or continuous putting which are both allowed in stroke play. Scorecards will have the expected time your group is to complete each hole. Clocks will be stationed on holes #4, 9, 13, and 18 giving you the opportunity to check on your pace throughout the course. The WMGA will produce a pace of play time chart specific to the golf course being played by taking into account the difficulty of the holes and the layout of the golf course. While the close monitoring of individuals may not be possible because of the limited number of officials on the golf course, the pace of play time chart will help officials to identify groups that are out of position.

9. All penalties, including penalties for pace of play, will be assessed in accordance with the USGA Rules of Golf.
10. The WMGA Competitions Committee reserves the right to modify any of the rules in this book governing tournaments and Team Match play.

Match Play Championship

1. The defending champion will be exempt from qualifying. If she elects to exercise this exemption, she must notify the office prior to the final entry date for the Championship. If, however, she elects to compete for the medalist prize, she must forfeit her automatic qualification and qualify on the same basis as all other competitors.
2. If the defending champion exercises her exemption described in #1, the fifteen lowest scores in the qualifying round will comprise the balance of the Championship Flight; otherwise the players posting the sixteen lowest scores will comprise the Championship Flight. The players posting the next sixteen lowest scores will constitute the Sanford Cup Flight.
3. Duplicate prizes will be awarded in the event of a tie for medalist. Only the medalist may be awarded more than one prize.

4. All matches will be eighteen holes, except the final of the Championship Flight, which will be thirty-six holes. All ties will be decided by an immediate hole-by-hole play-off. The first and second rounds of the Championship Flight and the Sanford Cup Flight will be played on the first day of match play.
5. Unless otherwise permitted by the Committee, players may not use automotive transportation during a stipulated round.
6. Caddies will be assigned by the caddiemaster. A player may not have the same caddie or request a specific caddie except for the finalists on the final day.

“B” Match Play Championship

1. The defending champion will be exempt from qualifying. If she elects to exercise this exemption, she must notify the office prior to the final entry date for the Championship. If, however, she elects to compete for the medalist prize, she must forfeit her automatic qualification and qualify on the same basis as all other competitors.
2. If the defending champion exercises her exemption described in #1, the fifteen lowest scores in the qualifying round will comprise the balance of the Championship; otherwise the players posting the sixteen lowest scores will comprise the Championship Flight.
3. Duplicate prizes will be awarded in the event of a tie for medalist. Only the medalist may be awarded more than one prize.
4. All matches will be eighteen holes. All ties will be decided by an immediate hole-by-hole playoff. The first and second rounds of the Championship will be played on the first day of match play.
5. Players may utilize automotive transportation during a stipulated round.
6. If the host club requires caddies in addition to carts, caddies will be assigned by the caddie master. A player may not have the same caddie twice or request a specific caddie except for the finalists on the final day.

Stroke Play Championship

1. This tournament is an aggregate of two stipulated rounds of eighteen holes played on consecutive days.
2. A tie for the Championship trophy will be resolved by an immediate 3-hole play-off on the host course followed, if necessary, by a sudden-death play-off. A tie for the net trophy will be decided by a match of cards.
3. Unless otherwise permitted by the Committee, players may not use automotive transportation during a stipulated round.
4. A player may not have the same caddie twice or request a specific caddie.

Family Championships

1. Teams consisting of “in-laws” will not be eligible.
2. All entrants, including those who are not members of the WMGA, must provide a current GHIN number on their entry or play from scratch.
3. The family member who is not a member of the WMGA does not have to be the same handicap “class” as the member.
4. All competitions for family championships will be Pinehurst format.

Junior Tournaments

1. Junior Tournaments are open to any girl who has not reached her 19th birthday by midnight of the day of the event and has not started college.
2. All entry fees for Junior Tournaments include continental breakfast, lunch, and range balls for the competitor only.
3. A Junior must carry her own clubs or use a non-motorized pull cart. If a host golf club does not allow the use of non-motorized pull carts, the WMGA will abide by that rule and the Junior must carry her own clubs. The WMGA will not provide pull carts; the use of one comes at a player’s own expense.
4. A Junior Member may be permitted to play in other WMGA events provided she meets the Handicap Index requirement of the tournament. All Junior Member en-

tries to non-Junior Tournaments are subject to review by the WMGA Junior Girls' Chairman, or her designee, who will take into consideration the Junior Member's pace of play, knowledge of the Rules of Golf, awareness of golf etiquette, and player capability.

5. The WMGA Junior Girls' Open Championship and the Maureen Orcutt Trophy Tournament are open to a non-WMGA member who meets the following criteria:
 - a) Must be under the age of 19 years;
 - b) Must be a resident of the Metropolitan area (Connecticut, New Jersey, or New York, within a 60-mile radius of Columbus Circle, New York City, or anywhere on Long Island).
6. All competitors and spectators must abide by the WMGA dress code and electronic communication devices policies.

V. AWARDS

1. Prizes and/or certificates will be awarded for major tournaments.
2. The number of certificates awarded will be based on the number of competitors in the field.
3. A player may receive only one prize or certificate in a tournament.
4. Prizes and certificates will be awarded in the following order: 1st Gross, 1st Net, 2nd Gross, 2nd Net, et. seq. The player will not have a choice should she qualify for both a gross and net award.
5. In non-trophy tournaments, there will be an equal distribution of certificate winnings for players who are tied. The results will be reported as "tied."
6. It is the player's responsibility to secure the prizes at the site or the WMGA office. Certificates will be mailed. No prizes will be mailed.
7. The winner of a trophy is responsible for its safekeeping while in her possession. She must return the trophy, engraved, cleaned, and polished, to the office no later than May 1 of the following tournament season.

8. The WMGA Player of the Year Award recognizes the member who competed in at least four WMGA tournaments and earned the most points in designated events during the season. The point system approved by the Board can be found at www.wmga.com and the final decision of the Player of the Year Award rests solely with the WMGA Board of Directors.
9. The WMGA “B” Player of the Year Award recognizes the member who competed in at least four WMGA tournaments and earned the most points in designated events during the season. The point system approved by the Board can be found at www.wmga.com and the final decision of the “B” Player of the Year Award rests solely with the WMGA Board of Directors.
10. The Lann Trophy will be awarded to the member who had the season’s lowest 18-hole gross score for a WMGA stroke play round. In case of a tie, the winner will be determined by taking into account the difference between the USGA Course Rating and the score returned.
11. The Board of Directors Cup will be awarded to the Class B member who had the season’s lowest 18-hole gross score for a WMGA stroke play round. In case of a tie, the winner will be determined by taking into account the difference between the USGA Course Rating and the score returned.
12. The Player of the Year Trophies, the Lann Trophy, the Board of Directors Cup, the Judy Bell Award, and prizes for holes-in-one made during the year will be awarded at the Annual Meeting.

VI. INTERDISTRICT TEAM COMPETITIONS

1. The Golf Illustrated and the Myra D. Paterson competitions will be matches among teams of ten players from each of the three WMGA districts. The Golf Illustrated team will be chosen by the Team Captains from among the members with the lowest USGA Handicap Indexes in their districts. The Myra D. Paterson team will be chosen by the Team Captains from among the members with the lowest USGA Handicap Indexes of 14.1 and above in their districts.

2. The tournament site will rotate annually among the districts.
3. The Team Captains will select the teams and determine the positions of the players.
4. A player belonging to two Member Clubs may only represent the district in which she played during Interclub Team Matches.
5. The Team Captains will submit their line-up one-half hour before the start of play to the tournament officials who will then post the line-up. A team should be fully assembled and ready to tee off at its scheduled starting time. Each player must be present and ready to tee off at her scheduled time. If a player arrives, ready to play, within 5 minutes after her scheduled starting time, she loses the first hole and the match will continue from the second tee. If a player arrives later than 5 minutes after her original starting time, she is disqualified, and she defaults her match. In order to win by default, an unopposed player(s) must be ready to play on time; otherwise, neither side wins any points in that match.
6. The format will be a Three-Ball Match Play competition. Matches will be eighteen holes, scoring one point for the first nine holes, one point for the second nine holes and one point for the eighteen holes. In the event of a tie for any point, each player will receive one-half point.
7. The team winning the most points will be declared the winner and will have its name and the date of competition engraved on the trophy. The Captain of the winning team is responsible for the engraving and safekeeping of the trophy until the matches are played the following year.
8. In case of a tie for either competition, the tied teams will have their names engraved on the trophy and each Team Captain is responsible for the trophy for a proportionate part of the year.

VII. INTERCITY TEAM MATCHES

1. The Griscom Cup and Junior Intercity competitions will be Three-Ball Match Play competitions among teams of nine players (five for Junior Intercity) from the Women's

Metropolitan Golf Association, the Women's Golf Association of Massachusetts, and the Women's Golf Association of Philadelphia.

2. The three Associations jointly will prescribe the rules for the competitions.
3. The top five players from the immediately preceding year's Player of the Year standings will be extended an invitation to join the team and the Team Competitions Chair will select the final 4 players to complete the 9 player roster. If any of the Top 5 Players from the immediately preceding year's POY standings decline the invitation, those spots will be filled at the discretion of the Team Competitions Chair in the form of additional Captain's Picks. The team will be presented to the WMGA Board for approval.
4. The Junior Chairman will recommend the five players for the Junior Intercity team, subject to approval by the WMGA Board.

VIII. INTERCLUB TEAM MATCHES

General

1. The Team Match Committee will consist of one Board member, who will serve as Chairman, and one Board member from each of the three districts who will serve as District Captains.
2. Rules and schedules for team match play will be formulated by the Team Match Committee, subject to the approval of the Board of Directors.
3. A team will consist of five players and alternates, and a Member Club may enter no more than two teams.
4. A series will consist of six teams and there will be no limit to the number of series. Any vacancies in a series occurring prior to the completion of the schedule for the current year will be filled by moving up teams in the order of their standings at the end of the previous year. The last series must have a minimum of four teams, but no more than six.
5. Five matches will be played on successive Tuesdays and Thursdays commencing at the end of April or in the beginning of May. Such dates will be determined by the Team

Match Committee with Board approval.

6. The Team Match Committee will ensure that every effort is made not to schedule matches at the club of the team that is in first position in its series, nor will that team play any other team on its home course. These standards do not apply to a series with fewer than six teams. However, if two teams from the same club are in the same series, they will play each other on their home course.
7. The team in first place in its series after five matches will automatically advance to the last position in the series above the following season. The team in sixth place in its series after five matches will automatically drop down to the first position in the series below the following season. All ties for Series positions will be resolved according to the methodology described on page 27.
8. The winner of the first series in each district will compete in the Interdistrict Play-Off. The team winning the most points becomes the Champion team, and its club will hold the Founders Trophy for one year.
9. At the discretion of the Board of Directors, a team or player may be disqualified for refusal to comply with the rules of team matches or with decisions of the Team Match Committee.
10. Proper golf attire must be worn at all Team Matches. No denim of any color, leggings, tank tops, warm-up suits, or sweat pants will be permitted. Under no circumstances will short shorts and low cut shirts be allowed. Skorts and shorts must be no more than 5" above the knee. If the regulations of a host club are more restrictive, the player must conform to the additional regulations. Members whose dress is deemed inappropriate by the WMGA may be denied participation in team matches.
11. In the event that a team wishes to protest a ruling of the Team Match Committee, the protest must be made in writing to the Chairman of the Team Match Committee within one week of the ruling. The WMGA Competitions Committee reserves the right to modify any of the rules in this book governing Team Matches.

Procedure For Entering Returning Teams

1. A Member Club must state in writing its intentions to enter a returning team or a returning second team to the WMGA no later than September 26.
2. A Member Club must submit by February 6 its Final Team Entry Form (FTEF). It shall be the responsibility of the Met Rep and Team Captain to verify their players are listed on the FTEF in ascending order of their USGA Handicap Index as of the previous season's final revision date, November 1, 2016. The order of players with the same USGA Handicap Index will be listed at the discretion of the Team Captain. After this date, any additions or changes to the FTEF must meet the requirements listed on page 22, #2 d, e, and f, and be submitted in writing to the District Captain before April 1.

Procedure for Entering a New Team

1. A Member Club must submit a New Team Registration Form (NTRF) stating its intentions to enter a new team or a second team to the WMGA office (teammatches@wmga.com) no later than September 26. The NTRF can be found on the WMGA website (www.wmga.com). Each new team will be automatically placed on the waiting list based on the order of when the WMGA office receives the NTRF e-mail.
 - a) A Member Club entering a new team must list a minimum of seven players.
 - b) A Member Club entering two teams must list a minimum of fourteen players. The first five players will be considered the First Team and the next five players the Second Team.
 - c) A Member Club must submit by February 6 its Final Team Entry Form (FTEF).
2. If there is an opening in the last series prior to September 26, the first team on the waiting list will automatically be added to that series.
3. If there are no openings in the last series, the first team on the waiting list will be eligible to challenge the last team in the last series at the conclusion of the five team

matches.

4. If there are no teams on the waiting list and a Member Club submits a NTRF on or after September 26 but no later than December 1, the team is eligible to challenge the last team in the last series at the conclusion of the five team matches.

Eligibility Rules for Teams and Players

1. A Member Club entering a team must be prepared to:
 - a) Grant one of the scheduled team match or challenge round days for each team it has entered;
 - b) Grant one Tuesday and one Thursday if it has entered two teams;
 - c) Approve a time of 8:30 A.M. for the start of matches on its scheduled day(s);
 - d) Grant a separate starting time for each two-ball match; and
 - e) Pay Club Membership dues of \$200 annually, prior to April 1.
2. The following members are eligible to compete in team matches:
 - a) Current WMGA members who renew their memberships by December 1.
 - b) Junior members with an 18 hole USGA Handicap Index of 23.0 or under based on the previous seasons's final revision who pay membership dues by December 1.
 - c) New members to the WMGA who pay membership dues by December 1.
 - d) A player who joins a Member Club after December 1, meets the WMGA Team Match eligibility requirements, and has paid her WMGA membership dues by April 1.
 - e) Current WMGA members who change clubs by April 1.
 - f) Inactive WMGA members who are reinstated to Membership by April 1.
3. A player belonging to two clubs may represent only one club in the matches each year.

RULES FOR MATCHES

General

1. Matches will be eighteen holes, scoring one point for the first nine holes, one point for the second nine holes, and one point for the eighteen holes. In the event of a tie for any point, each player will receive one-half point. All matches will be single matches.
2. USGA Rules will govern all play.
3. Each District will have a District Captain who reports to the Interclub Chair. The District Captain will appoint a Series Captain for each Series. Each Team will appoint a Team Captain. Detailed information for Team Captains and Series Captains, including their responsibilities, can be found on the WMGA website (www.wmga.com).
4. All players should be familiar with the WMGA Rules for Team Matches.

Day of Play

5. Players must play in the order in which they were listed on the FTEF as provided in "Procedure for Entering Returning Teams," page 21. Each player who plays in any position other than the one for which she is eligible will forfeit three points to the other team.
6. A team that competes with any players out of order more than once in any season will be placed at the bottom of its series. It will forfeit all previously won points, and each opposing team in the series will receive fifteen points.
7. A team should be fully assembled and ready to tee off at its scheduled starting time. Each player must be present and ready to tee off at her scheduled time, with the intent to complete the match. If a player arrives, ready to play, with the intent to complete the match, within 5 minutes after her scheduled starting time, she loses the first hole and the match will continue on the second hole. If a player arrives later than 5 minutes after her original starting time or is not ready to play within 5 minutes of her original starting time, she is disqualified, and her team must default the last match scheduled. Telephone calls to the match site do not excuse a player from this rule.

8. In the event a player is disqualified prior to the start of her match, all players on the opposing team who have not yet teed off will shift down one tee time, with the final (now unopposed) player winning by default. In order to win by default, an unopposed player must be ready to play on time; otherwise, neither side wins any points in that match.
9. In the event a player is disqualified prior to the start of her match, her team is considered to be playing short because it is competing with less than five player. **In addition to losing the defaulted points, the team playing short will receive a one point penalty.**
10. If a player withdraws from a match before its completion, any points she has won will be credited to her and any remaining points will go to her opponent.
11. There will be no agreement to discontinue play and split unearned points. Players who do so will be subject to disqualification for a period to be determined by the Team Match Committee.
12. Subject to the rules of the host club, a player may use a golf cart. In addition, a caddie must also be taken, if available, and will be assigned by the caddie master. A player may be responsible for both cart and caddie fees at the discretion of the host club.
13. The WMGA Pace of Play Policy leaves the responsibility of maintaining the pace of play with the player. If the player is in the first group in the field, she needs to play without undue delay. If the player is in a following group, she needs to keep up with the group in front of her. Violation of this policy may result in disciplinary action against the player's team.

Day of Play - Sanctions and Penalties for Regular and Rescheduled Team Matches

14. Five players shall constitute a team in all matches. A team is considered to be "playing short" if the team competes with less than five players.
 - a) A team that is playing short must field its players starting from the #1 position. In addition to losing the defaulted

points, the team playing short will be penalized one point. The one point penalty for playing short will be deducted from the total points of the penalized team for that match day and on each match day that such penalty occurs.

b) As a courtesy only, in the event that a team (A) knows prior to the day of the match that they will be unable to field a full team, they may concede the missing player(s) match(s) by 8 pm the evening prior by contacting the team captain of the opposing team (B) with a telephone call and a follow-up email copying both the Series Captain and District Captain. A telephone call alone will not suffice as all parties need to be notified in writing via email, since once a match is conceded, it cannot be rescinded. The team captain of the opposing team (B) who is notified should copy all recipients on the defaulting email acknowledging receipt.

Note 1: If a match has been conceded and then it is rescheduled, the concession is irrevocable.

Note 2: If a match has been conceded, the team playing short will lose the defaulted points and receive a one point penalty. **If a team plays one or two players short, the penalty for playing short is just one point.**

Note 3: In the event of a concession of a match by team (A), the names of the players from team (B), who win by concession, must be listed on the Team Match Form. If a club has two teams participating in team matches and a player 4 and/or 5 on the first team wins by concession, they cannot move down to the second team.

Note 4: Additional WMGA members may be invited to play the empty spots. These “extra” player(s) can play at the end of the remaining scheduled matches.

15. A team unable to field any players for a match will be disqualified from competing during the remainder of the current season and will be placed at the bottom of the last series behind any waiting team from the previous year. The team will forfeit all previously won points and each opposing team in the series will receive fifteen points.
16. A team able to field one or two players for a match will be disqualified from competing during the remainder of the current season and will be placed at the bottom of its

series. The team will forfeit all previously won points and each opposing team in the series will receive fifteen points.

17. A team playing short for the majority of its matches will be given an official warning. At the end of the season, if the team is deemed to have played short in the majority of its matches for a consecutive year, it will be placed at the bottom of the last series behind any waiting team(s) from the previous year.

Withdrawal of Team

18. If a team withdraws after the completion of scheduling or during the matches, each opposing team in the series will receive fifteen points; earned points will be forfeited. The team that withdraws will be placed at the bottom of the last series behind any waiting team(s) from the previous year.
19. A team withdrawing before or during team matches for two consecutive years will be prohibited from entering a team for the following year. It may then enter as a new team at the bottom of the last series, behind any waiting team(s) from the previous year.

Delay or Cancellation of Play

20. Bad weather is not of itself a good reason for discontinuing play. There will be no cancellation of play unless the course is deemed unplayable by the host club. If the host club is agreeable, play may be delayed until later in the day.
21. When a course is deemed unplayable, the Series Captain will arrange with the host club for another day. In the event the club is unable to grant another day before the Interdistrict Playoff, a neutral course will be obtained.
22. If a player arrives at the site with the intent to play, but the course is deemed unsuitable for carts, the following will apply:
 - a) If a caddie is available and the player is unable to walk, she must concede her match. However, her team does not move up its players, nor will her team receive a penalty point for playing short.

- b) If there is no caddie or cart available prior to the start of the match and the course is open, the player is not required to carry her bag or use a pull cart. The match will be rescheduled.
23. If the course is deemed unplayable before the matches are scheduled to begin and remains unplayable, an incomplete team will not be penalized. If the course is reopened, a team must be ready to play, with the intention of completing the round; otherwise, that team will be penalized in accordance with "Rules for Matches," page 22.
24. If play is suspended after a match has begun, the match will be resumed from where it was discontinued only if resumption occurs on the same day.
25. If play is cancelled, those matches that have been completed will count. A match which is won by default or concession is deemed to be a completed match. All others will be rescheduled.
26. When a club has two teams, if one team completes its matches on a given day and the other team's matches are rescheduled, those players who completed matches are ineligible to compete on the rescheduled team's roster.
27. When a club has two teams and BOTH are rescheduled, a club should treat the eligibility of its players as if the rescheduled matches are being played on the same day (even if they are being played on different days).
28. The correct order of play and eligibility for Clubs with two teams when one of the regularly scheduled matches is cancelled shall be determined as follows: In the event the first team has a makeup match and the second team has completed their match, the first team will consist of players who have not already competed in this match and whose position on the FTEF is less than the first player on the second team and whose position on the FTEF is greater than the fifth player. For example, at Match 3, second team players #7, 8, 10, 11, and 13 competed. When the first team reschedules their match, they may ask players #1, 2, 3, 4, 5, 6, 14, 15, 16, etc. up to the last player listed on the FTEF. In the event the second team has the makeup

match and the first team has completed their match, the second team will consist of players who have not already competed in the match and whose position on the FTEF is greater than the player in the fifth position who competed on the first team. For example, at Match 5, if the first team plays with #1, 2, 4, 5, 6, then the second team may play with players #7, 8, 9, 10 up to the last person listed on the FTEF.

Ties for Series Position

29. FOR ALL POSITIONS IN ALL SERIES (EXCEPT IN SERIES 1, FIRST POSITION): If two teams tie for a position in a series, the team winning the most points when those teams played each other will be placed in the higher position in the series for the following year. If two teams tied when they played, or if more than two teams tie for a position in a series, standings for the following year will be determined based upon each team's TOTAL BACK 9 POINTS when those teams played each other. If teams continue to be tied, the POINT TOTAL of the players in the 5th position for each team will be compared. If still tied, the POINT TOTAL of the players in the 4th position for each team will be compared and so on, until the tie is broken.
30. In the case of more than two teams tying, ties are to be broken by the Team Match Committee.
31. TIES FOR FIRST POSITION IN SERIES 1: A date and a neutral course will be designated for an eighteen hole play-off. If teams are still tied at the end of eighteen holes, a sudden-death play-off will take place as described in the "Interdistrict Play-Off" below.

INTERDISTRICT PLAYOFF

Eligibility

The first five listed players must have competed in at least two of the current season's regular matches. All other listed players are eligible, even if they have not played in any regular matches.

Competition

This will be an eighteen hole Three-Ball Match Play competition on a neutral course. The neutral course will be chosen from the three districts on a rotating basis. In the

case of a tie, the teams who are tied will have a sudden death play-off. A starting time for the Playoff will be designated by the Team Match Chairman. Each position will play one hole. If a team is ahead after the first hole, it is deemed to be the winner. If the teams are still tied, play will be continued by the entire team, one hole at a time, until the tie is broken.
