

## 2017 Scholarship Recipient Bios

### **Samantha Boehmcke**

St. Rose High School senior, Samantha Boehmcke, started her golfing journey when she moved near Spring Lake Golf Club. Through the club, she became an avid golfer and learned to appreciate the game. In high school, she played on the school's golf team all four years and received the honor of being named captain her sophomore through senior years. In 2015, she began caddying at Spring Lake and was the first female caddie in the history of the club. From playing to caddying, golf has changed her life, embodying her with a passion for sports and teaching Samantha a strong work ethic. She has become a mentor and role model for other young females who wish to play golf or caddie. Samantha will continue her journey into the sports industry by attending

Ohio State University as a sports industry major. Her hope is to become a sports reporter/ broadcaster or work for the PGA of America.

### **Emily Chang**

Four year Varsity golf team member, Emily Chang, has been affiliated with the game of golf in two capacities: as a player and as a volunteer instructor at the All-Par summer golf program for children with autism. Emily competed as her high school's number 1 player in addition to playing on the Pioneer Tour and in the WMGA Maureen Orcutt Jr. Tournament. Emily has been ranked amongst the top 15 in Bergen County as of 2016. She will continue her academics at Dartmouth College studying Economics, Entrepreneurship and Global Studies. Her hope is to become a management consultant or work in Health and Human Services on a national level.

### **Annie Farrell**

West Windsor-Plainsboro High School South senior, Annie Farrell, has spent the last four years on the high school's Varsity golf team and was captain her last season. She has become a more confident and outgoing person thanks to her involvement on the golf team. She has enjoyed her time as a role model for the team's underclassmen. Annie will attend Fort Lewis College in the fall and major in Environmental Studies. She hopes to study environmental law and become a human/women's rights activist or lawyer.

## 2017 Scholarship Recipient Bios

### **Micaela Crines**

Spending most of her life as a golfer, Micaela Crines says that “Golf is her passion”. Wall High School senior, varsity golf team member and captain, Micaela will bring her game to the collegiate level at East Stroudsburg University this fall. Her love for the game has enhanced her bond with her father, who is often her playing partner. She has participated in many tournaments, claiming victory as the youngest member to compete and win the Jumping Brook Golf Club Championship at the age of 14. This year she also won the Monmouth County Championship. Micaela hopes to share her passion and love of golf by becoming a professional golf coach.

### **Olivia Ling**

“Golf is truly a rewarding, fulfilling and lifelong sport” says West Windsor-Plainsboro High School South senior, Olivia Ling. Having played on her high school Varsity golf team for four years, Olivia has spent three years as the team’s Most Valuable Player and two as captain. Through the game of golf, she has developed strong leadership skills, patience, responsibility, acceptance and humility. Olivia expresses that playing and participating on her high school team has helped her to develop into the person that she is today. She will continue her education at Rutgers University, majoring in engineering.

### **Jazmine Meggett**

As an undergraduate, Jazmine Meggett was a 2013 recipient of the WMGA Foundation Scholarship. As a captain of her high Varsity Golf team she learned valuable skills in leadership and teamwork that have thus far helped her in her collegiate career. Jazmine participated in various campus wide organizations and held numerous leadership positions among them. Graduating with a Bachelors in Accounting from Quinnipiac University, Jazmine is dedicated to furthering her education by going for her Masters. Her hopes are to become a Certified Public Accountant. She is the Foundations first ever graduate recipient of the scholarship.
