WMGA Team Matches

TIPPING GUIDELINE FOR EACH MATCH: $150

2026 Team Matches

The suggested tipping amounts are:

Caddie or Cart Manager/Starter	$90 (in total)
Locker Room Attendant	$60

If there is no Caddie or Cart Manager/Starter or no Locker Room Attendant, please use your discretion to disperse the tips among the personnel who helped make your outing a success. If you do not use the total amount of $150 per match, please return the tipping money to the WMGA Office.

It is very important that you fill out the Expense Summary Sheet after each match. After the last team match, please total up all your expenses. Put this final accounting in an envelope with any checks (please do not mail cash) and mail to the WMGA office, Attention: Tournament Manager

If there is any money due to you, please put your address at the bottom of this sheet and a check will be mailed to you shortly.

Thank you.
