Nicolette Dilluvio

Nicolette is a recent graduate of Kellenberg Memorial High School and plans on continuing her education at St. Francis University in Pennsylvania. Nicolette has played golf for all of her life and began in the First Tee Program in Nassau County. She now interns there and plays on their Inter Facility Team, as well as her high school varsity team for five years running. Nicolette is a member of the National Honor Society, the Communications Club and mentors both elementary school and high school aged students. She has also had the honor of participating in the Advanced Players Academy in Reno, Nevada to help her get a taste of what playing college golf might be like. Nicolette's future plans include working toward her goal of becoming a physical therapist and playing as much golf as possible.

Karla Chavez

Karla is a graduate of Passaic County Technical Institute and plans on attending Passaic County Community College, followed by Rutgers University in New Jersey. Karla has a strong interest in computer science and plans on majoring in that, with a concentration in computer engineering or Nano engineering. During her time in high school, she participated in ERASE Club, Book Club, History Club, and varsity track and golf. Karla has a passion for golf as she has played on the team for three years and really enjoys playing with her teammates and improving her skills.

Gianna Messina

Gianna recently graduated from Morris County School of Technology and has the intention of furthering her education at the University of South Carolina. Gianna has always had a passion for sports in general, as she has played on her school's varsity golf, soccer and basketball team for four years. She also is a member of the National Honors Society, Environmental Club and is actually a triplet! In the future, Gianna would like to major in sports and entertainment management with a concentration in sports marketing.

Nicole Triano

Nicole is a graduate of Yorktown High School and is going to attend Methodist University in North Carolina in the fall. She wants to major in business administration, with a concentration in professional golf management. Nicole has a love for golf as she has been playing since her first golf clinic in the sixth grade. She continued on to play on the boys' varsity golf team from the ninth grade to the eleventh grade, and then went on to play on the girls' varsity golf team in the twelfth grade. She has also participated in Nike Golf Camps, the Met PGA Tournament for four years running, and frequently volunteers at various golf camps and clinics. Nicole would like to one day become a PGA professional and teach or work for the PGA or LPGA.

Sophia Verducci

Sophia is a recent graduate of Park Ridge High School and is very excited to be playing college golf at Mount Holyoke College in Massachusetts. At Mount Holyoke, Sophia is going to major in Business and Finance Law and aspires to one day become a lawyer. During her high school career, she played on the boys' varsity golf team, as well as the winter track team and was a member of the marching band, and the volunteer fire department. In her free time she loves to improve her game and is a caddie at the Alpine Country Club. She is also a PEAK Mentor which she enjoys and finds to be very rewarding.

Caroline Assuma

Caroline just graduated from John Jay High School and will be attending Roger Williams University in Rhode Island in the fall. Caroline had a very successful high school career as she was a class officer for her high school's Student Council for four years in a row. She also played on the boys' JV golf team for two years and then joined the boys' varsity golf team for two years. Golf has always been a huge part of her life and she currently works at the golf shop and in the bag room at Waccabuc Country Club. Her dream is to major in communications and one day work in the golf industry and make a career out of the sport that she loves.
