| Sr Women's Open++ | USGA | 350 | 275 | 225 | 75 | 50 | 50 | 30 | 50 |

**Clarifications & Footnotes**

| |
|---|
| The final approval of the winner of the Player of the Year award rests solely with the WMGA Board of Directors. |
| # - points for the sectional qualifying, on-site cut and "matches won" are cumulative. However, players who finish 10th or better in amateur stroke play events, or winner, runner-up, semi- or quarter-finalist in match play events, will ONLY receive the points listed for that position. All players, including the defending champion, whether she chooses to qualify for the championship flight or be seeded first, will receive qualifying points even if no matches are won. |
| ## - On-site qualifying medalist points are bonus points and will be added to any other points awarded. |
| + - in Open Stroke Play events, points awarded for making the on-site cut, sectional qualifying and for finishing low amateur are cumulative and would be in addition to any other points awarded. |
| ** MET Open points are awarded based on placement of amateurs within the field. The lowest finish by an amateur will be awarded the winner points as show above, the 2nd low amateur will receive runner-up points, etc. If an amatuer wins the MET Open, she will receive an additional 150 POY Points. |
| ++ - The low amateur making the cut at the USGA Women's Open or the USGA Sr. Women's Open will be awarded an additional 150 points. |
| * - Should a player be exempt into any USGA championship based on her prior year(s) performance, she will be awarded the same points as if she had qualified in the sectional qualifier. |
